QUALIFICATIONS

Highly creative and multitalented visual artist with skills and experience in digital and traditional animation, video editing and html programming. Extremely passionate, friendly, and works well collaboratively.

PROFESSIONAL EXPERIENCE

Christopher Knowles Studios

Freelance Web Designer/Animator – June 2007 - present

Created various websites and animations for TV, web, and other media. Worked independently from storyboard to post-production.

360 Kid

Freelance Animator – May 2009 – July 2009

Animated interactive educational Flash videos to be viewed on the web. Created and implemented design elements, and edited light actionscript code.

Animation Collective

Layout Artist – Dec 2007 - April 2008

Illustrated character designs in Flash, followed storyboards and drew character layout, animated sequences, and worked closely with graphic designers animating design elements.
